EMPOWERING ADULTS WITH DISABILITIES

OUR MISSION

Post College Connections, Inc., a 501(c)(3) non-profit, was created in 2019 by a group of parents as a grassroots movement to fill the unmet needs of young adults with disabilities who strive to fully participate in the community.

The Ability Resource Center, through Post College Connections, Inc., is a Disability organization that programs and hosts fully inclusive events. All programming is cultivated through input and feedback from members. Leading the way in supporting young adults with intellectual disabilities, the Ability Resource Center helps individuals build self-confidence, gain new connections, and achieve personal goals.

BELONG

Finding people with shared or similar experiences can be challenging. For adults with intellectual disabilities, the Ability Resource Center is a welcoming place where they find community and a sense of belonging.

Highlights of our program

- 8 program events per month hosted by the Ability Resource Center
- 1 large-scale coordinated event per quarter
- Connecting our members with events in the broader community
- Individual meetings at center, in neighborhood or community
- Access to center for safe space, communing & staffed drop-in hours

MEMBERSHIP

\$105/month or \$1,225/annual one-time payment

And kindly ask for an optional \$230 donation to fund event programming

MEMBERSHIP INCLUDES

-  Unlimited access to all events and programming
-  Transportation between the Ability Resource Center and community events

Please note :

- Members are responsible for their transportation to/from Ability Resource Center.
- Members may be required to pay for admission to larger community events.

We are an
IRIS vendor
service.
